## A Message From The President

### 2014 Region Election Results

It is my pleasure to announce the results of our 2014 election for the positions of 1st Vice President, Financial Secretary, and Corresponding Secretary held during our Saturday, November 8, 2014 Council meeting. In that regard, I would like to congratulate and personally thank Marion Allen, April Powers-Matthews, and Dr. Contress Braxton, respectively, for their commitment to the principles of BIG and their dedication to our Region XI Council which provides leadership, guidance, and support to all of the chapters in the DC, MD, and VA metropolitan area.

Marion Allen has shown true dedication to the Council during her service as 1st Vice President for the last 3 years, 1 year by my appointment at the outset of my term as Council President and 2 years by election to a first term. Prior to serving as 1st Vice President, Ms. Allen also served as the Region's Fundraising Chair. So, Ms.

Allen has definitely been doing some heavy lifting for the Council. In her capacity as 1st Vice President, she will perform all functions and duties in my absence, and have all powers and authorities stipulated for that position. Importantly, she will continue to serve as Chairperson of the Programs and Education Committee (P&E). Per the Region XI bylaws, that committee is responsible for developing a comprehensive and ongoing general training program for the Region, for addressing additional areas of concerns, and should provide program ideas and aids to the Council and to the chapters overall to assist our organization in maintaining a high standard of programs. The P&E Committee is also responsible for developing and implementing a Regional Training Conference (RTC) as well as Delegates Assembly Training. I wish Ms. Allen continued success in this very important position for the Council.

April Powers-Matthews has also shown her dedication to the Council having served several years on the Council's Fundraising Committee and most recently as Co-Chair of the Audit Committee. As the Region's Financial Secretary, Ms. Powers-Matthews will serve in the absence of the Treasurer and will be responsible for tracking the financial status of the Chapters. In that capacity she will seek to ensure that all chapters file their very important IRS Form 990s annually and submit their annual dues to the Council. She will also serve as Chairperson of the Budget and Finance Committee. Per the Region XI bylaws, that committee is responsible for annually collecting budget requests from Committee Chairpersons and officers in preparation of the proposed budget for the ensuing year. Throughout the year, the Financial Secretary is also responsible for working with the Treasurer to monitor expenses to ensure moderation of spending and compliance with the approved budget. I wish Ms. Powers-Matthews much success in her new position, a very important position for the Council.

Dr. Contress Braxton returns her talents to the Region in an elected position after having served as National Recording Secretary and most recently as a member of our Council's P&E Committee. As Corresponding Secretary, Dr. Braxton will be responsible for receiving and reporting all correspondence to the Region with the exception of bank correspondence which will be delivered promptly to the Treasurer. Importantly, she will be responsible for serving in the absence of the Recording Secretary to record and maintain attendance records and minutes of all meetings of the Region XI Council and Executive Committee. I wish Dr. Braxton much success in this new position, a very important position for the Council.

I am always torn being first congratulating or first thanking the person who has the dedication and commitment to take on a position within our Region XI Council. So, I do both here. I congratulate Marion, April, and Contress for having the support and the confidence of their BIG peers such that they were nominated and ultimately elected to their respective positions. But, I also thank each of them profusely for their willingness to stand side by side with me in this quest to deliver career development training, mentoring, networking, community service, scholarships, and advocacy to our members and supporters. They each take on a tall order that I know they are more than equipped to deliver on.

Please join me in giving them a round of applause.
